What is EARN-A-BIKE?

Earn-A-Bike (EAB) is a 501(c)(3) organization with a mission to promote active and healthy living amongst San Antonio youth. Since its inception in 2014, the Earn-A-Bike program has promoted cycling, nutrition and environmental sustainability as a path to health by placing more than 4,035 bicycles in the hands of children and adults. Offering after school and free programming at YMCA's across the city, Earn-A-Bike works with schools, community organizations, health institutions, and other partners to ensure that everyone has an equal opportunity to learn the benefits of living active and healthy lives. We target those in underserved areas of San Antonio where disparities often keep youth less physically active.

What is EARN-A-BIKE 100?

The EAB 100 invites cyclists from San Antonio and beyond to shift their passion up a gear and ride for a cause! All proceeds raised fund Earn-A-Bike programming and events for children in San Antonio.

TESTIMONIALS

"As a board member who was raised in the neighborhoods that we cater to, I have been able to view firsthand the differences that our program has made in our participants lives. Hearing the excitement in the students voices as they ride their bike for the first time and, most importantly, hearing the families talk about how they plan to get out more and enjoy time outside together has really helped me to put forth as much effort as I can to continue to assist in growing our program to reach more neighborhoods in our city."

-Efren R. EAB Board Member

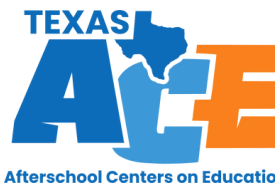

"He has learned how to use tools, not just physical tools but tools for life. He has a new love for wanting to be outside and not on a game console. He walked away with a lot of confidence in himself. I feel like growing up in our neighborhoods these days, our children need something that will have a positive effect on them. I hope more parents hear about this program."

-Parent of EAB Student Participant

"I had been familiar with Earn-A-Bike as an organization, but it wasn't until I participated in EAB 100 benefiting EAB that I decided to volunteer at their next event. The event provided local students with the opportunity to build a brand new bike after completing EAB's educational program. The event was a success and exceeded my expectations. I was able to get to know my mentee, and I'm happy to say that we've even kept in touch to this day. It was such a gift to see the joy, excitement, and sense of accomplishment on the kids' faces. I will continue to participate in future rides as well as volunteer to support Earn-A-Bike."

-Roger B. EAB 100 Rider / EAB Bike Build Volunteer
